2015/16 TICKET DESIGN

London Irish Rugby Club are giving local schools the opportunity to design a match ticket for one of three games; our Christmas Fixture, St Patrick's Party Fixture, or a regular London Irish home game next season.

On the left is a ticket template. Be creative, but remember to keep it in the lines.

The three winners will be chosen by the players themselves. The winner's design will go on the match ticket stock for the relevant game, and they will receive V.I.P experience at the relevant game.

Please enter your details so that we can contact you should you win.
